FACE TIME AND IMESSAGE

Beitrag von „Cris“ vom 7. August 2016, 22:51

I do not have !! before the team face was activated with a serial number of a IMAC REAL and it worked, but without iMessage ... now connected but not activated because when active indicates in my Gmail ... it seems that only connects with the iCloud connected I would like to send me a 11 digit serial number and MLB 13 digits ... but anyway thanks !!! kisses ...
