

Ralink Utility für Dlink dwl-g122

Beitrag von „Dr. Ukeman“ vom 18. April 2012, 12:35

1. use kext helper and install RT73USBWirelessDriver.kext
2. copy the folder RaWLAPI.framework in "your HDD">Library>Frameworks
3. copy the Ralink app in the applications folder
4. reboot and enjoy your web browsing 😄
