

Erledigt trouble with freezing

Beitrag von „trillwizzard“ vom 25. August 2017, 07:33

locking up randomly etc...

Beitrag von „anonymous_writer“ vom 25. August 2017, 07:54

With this error message no one can help you. You must describe your problem better. Best will be to make a picture or to report the error message.

Sorry about that will get right on it now

Beitrag von „derHackfan“ vom 25. August 2017, 21:34

Zitat von trillwizzard

could you please help me with my DSDT?

Maybe ... 😄

Beitrag von „trillwizzard“ vom 27. August 2017, 12:26

Thanks bro ill try it out right now how the hell did u do that?
