

Dell 5570 hackintosh guide

Beitrag von „mathewgx“ vom 10. März 2019, 11:04

For anyone interested here is a guide for HS and Mojave on Dell 5570 and similar laptops.

Most things working as a real mac.

Thank you, but the link doesn't work...

Even searching Github for "Dell 5570 hackintosh" doesn't find it...

EDIT:

Now it seems to work... 😊

Was under consruction.

Enjoy !!!
