

# **Z97-XUD5H-BK bios 9C Needed information Please**

**Beitrag von „Piculino1“ vom 9. Juli 2021, 22:44**

Hi don't know much about modded bios actually looking on Z97XUD5HBK.9C can you please give a description on

whats new in the above bios Z97XUD5HBK.9C and what method use to load modded bios to machine right now I have bios F8 from gigabyte website.

Thank you in advance. Sergio
