

# Issues with Dell XPS 13 9343 using OC 0.9.7

**Beitrag von „Thatio“ vom 6. Januar 2024, 14:08**

I am getting errors while installing Mac os Ventura and sonoma. Can you tell me how to fix this issue etc or make YouTube video .I am using EFI DELL XPS 13 9343 OC 097 . Sorry for English language -\_-

[Thatio](#) I've never tried Sonoma with this EFI, because of the issue with the Broadcom wifi cards. In this forum you will find enough information to prepare a working Sonoma EFI. I think to choose a supported smbios for Sonoma would be a great start 😊

Dank dir fürs Verschieben [al6042](#) 😊
